

Crescendo

Acoustic Pendant

Crescendo seamlessly combines a soft, fabric-like appearance with sleek metallic accents, resulting in an industrial yet cosy aesthetic. Its dome design ensures this pendant light has both an efficient sound absorption and a contemporary look.

INSTALLATION INSTRUCTIONS

Please read these instructions carefully before installation and leave a copy with the end user for future reference.

SAFETY INFORMATION

We recommend that luminaires be installed by a fully qualified and competent electrician who understands building regulations and the current IEE wiring regulations. The light source contained in this luminaire shall only be replaced by the manufacturer or a qualified professional.

Before commencing any installation or maintenance work, ensure that the electricity is switched off at the mains.

IMPORTANT USER INFORMATION

Please install and use strictly in accordance with these instructions. Make sure that you have all the tools and equipment to complete the installation safely and correctly. Improper installation could cause harm to your property and/or person and void your warranty. It is the installer's responsibility to consider fire and safety risks and take appropriate precautions.
